

Play of Light Gallery

Please join us for the opening reception of an exhibition of Rudie Berkhout's holograms and laser installations

Featuring three new holograms (completed shortly before his passing last September) which have never been shown, this exhibition also includes holograms from an earlier period of Rudie Berkhout's life. In addition, the gallery will be filled with Rudie's laser light installations transforming the gallery once again into a magical realm of light, wonder and play.

Opening Reception:
May 9th 2009 6-8 PM

The gallery will be open Fridays through Sundays, 12 - 6 p.m. and by appointment on other days.

Rudie Berkhout's magical laser wands are now available for purchase. Custom designed installations of his laser lighting effects are also available for events and private homes.
